

BEE-sílabas

Spanish: Bisílaba Word Work

SLAR

PreK-1st Grade

Instructions: Print in color on white cardstock. Laminate for durability and cut cards apart. Make multiple copies of the answer recording sheet. Students will also need dry erase markers or clothespins to indicate the correct answers. Provide students with a smart device with an app that can read QR codes so they may check their work.

How to use: Say the name of the picture on the card. Indicate the first and last syllable in the word using a dry erase marker or clothespin. Write your answers on the answer recording sheet. Scan the QR code when you are finished to check your work.

The image displays several educational components:

- Syllable Cards:** Three cards are shown, each with a picture and a bee character. The first card (labeled '1') features a dress and the syllables 'to', 'ca', 'ro' on the left, and 'ta', 'pa', 'fa' on the right. The second card (labeled '2') features a rock and the syllables 'to', 'ra', 'ca', 'ja'. The third card (labeled '3') features a grape and the syllables 'ni', 'li', 'ji' on the left, and 'yo', 'fo', 'go' on the right. Orange clothespins are used to mark syllables on these cards.
- Answer Sheet:** A sheet titled 'Nombre: _____' and 'Escribe las palabras.' It includes a 'Bislabo' section with a grid for writing words. Below the grid is a QR code and the text 'Escanea el código QR y revisa tus respuestas.'
- QR Code Scanner:** A blue smartphone is shown scanning a QR code. The phone screen displays 'QR code fun!'.

A decorative border composed of a repeating pattern of small, stylized black and white shapes, possibly resembling a chain-link fence or a similar geometric motif, framing the entire page.

Instructions: Print in color on white cardstock. Laminate for durability and cut cards apart. Make multiple copies of the answer recording sheet. If you would like students to check their work, you will need to provide them with a smart device that can read a QR code. Optional: add Velcro to the back of the syllable cards.

How to use: Say the name of the picture aloud. Find the two syllables that make up the word and place them in the boxes next to the picture. Record your answers on the answer recording sheet. Scan the QR code and check your work.
