Try it! Scan the QR Codes.
It is easy and your students are
going to love it!

Don't have a QR Reader? Download one for
FREE right here. It looks like this:

Teacher Instructions:

Print in color on white cardstock. Laminate for durability and cut cards apart. Make multiple copies of the answer recording sheet. (Optional: print student friendly instructions.) Staple or tape cards around the room or place them at a center.

Provide students with a smart device with an app that can scan and read QR codes. If you don't already have a QR code scanner app on your smart device, you may want to download this one from the iTunes store for FREE:

<https://itunes.apple.com/us/app/qr-reader-for-iphone/id368494609?mt=8>

How to use this activity:

1. Look at the picture on the card.
2. Write the name of each picture on your answer recording sheet next to its corresponding number.
3. Using a smart device such as an iPad or iPhone, scan the QR code to check your spelling.
4. Color in a snowflake at the bottom of the page for each word you spelled correctly.
