

Preparation Instructions

Print in color on white cardstock. Laminate for durability and cut cards apart. Make multiple copies of the answer recording sheet. (Optional: print student friendly instructions.) Staple or tape cards around the room or place them at a center.

Teaching Tip: Review the name of the pictures ahead of time.

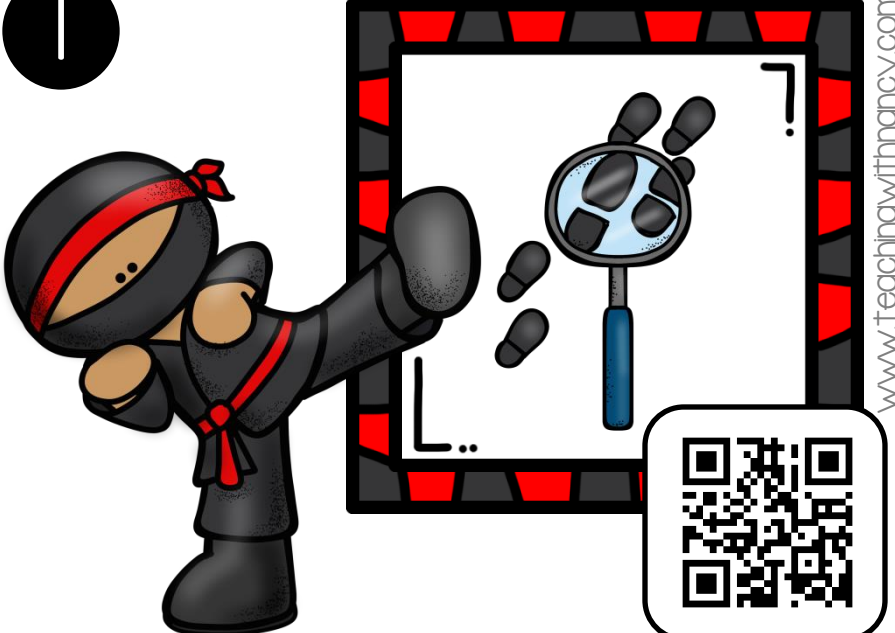

Provide students with a smart device with an app that can scan and read QR codes. If you don't already have a QR code scanner app on your smart device, you may want to download this one <http://apple.co/lqv52BT> from the iTunes store for FREE. It is easy to use and has no ads.

How to Use

Write the name of each picture on the answer recording sheet. Using a smart device such as an iPad or iPhone, scan the QR code to check your spelling. Color the smiley face next to each word you spelled correctly.

1

A cartoon ninja in a black suit with a red headband and red sash. He is holding a magnifying glass over a footprint on a whiteboard. The whiteboard has a red and black striped border. A QR code is in the bottom right corner.
