

Preparation Instructions

Print in color on white cardstock. Laminate for durability and cut cards apart. Make multiple copies of the answer recording sheet for the set students will be working with.

Organization Tip: There are six sets of 15 syllable and pictures cards. You may want to place each set of picture cards in separate zipper bags so they don't get mixed up.

Scan and Check Feature

Provide students with a smart device with an app that can scan and read QR codes. If you don't already have a QR code scanner app on your smart device, you may want to download this one <http://apple.co/lqv52BT> from the iTunes store. It is FREE, easy to use and has no ads.

How to Use

Independent Station or Small Group

Choose a rainbow syllable card. Read both syllables and combine them to make a word. Find the picture that matches the word. Record your answers on the answer recording sheet. After completing all 15 task cards scan the QR code to check your work.

Teacher Tip: Review vocabulary (name of pictures) ahead of time.
